CAUSE OF THE MONTH

August 2018: School Supplies for Children in Abode Services

Please consider helping schoolchildren whose families receive services from Abode in Fremont. Abode Services provides housing and other services (including tutoring and counseling for children) to more than 6,100 people each year across Alameda and other nearby counties. These kids need the same supplies our kids need: pencils, markers, crayons, paper, binders, notebooks, and backpacks. A \$50 donation provides nearly everything they need to start the year. We'll collect monetary donations through the end of August. We'll also collect supplies for them through mid-August to help them get ready for school, which starts before Labor Day. Please visit abodeservices.org for more on this organization.
