September 2018: California Wildfire Recovery

The Lutheran Disaster Response, working with the Sierra Pacific Synod and Lutheran Social Services of Northern California, is monitoring the wildfires that have burned through parts of California in the last month and is ready to provide assistance in the long-term recovery efforts. The September cause of the month offers us a way to help with financial donations, made payable to the Lutheran Disaster Response (write "U.S. Wildfires" on your check's memo line).
